Subject: RE: request for draft copies of permits

Hi Marcie,

I'm sorry for the delay in responding to your request for the permits referenced in Ecology's public notice. These are actually pre-draft permits, which are different than the public comment draft permits we expect to release later and which the public will have an opportunity to comment on. We are talking internally about what our next steps should be, but I'll respond as soon as I can to let you know the status of releasing the pre-draft permits. If you have additional questions, please feel free to contact me at 206-553-6328.

Sincerely,
Jenny Wu
